

# Shipping internationally? Here's what you need to know

The world continues to closely monitor the evolving tariff landscape, and FedEx stands prepared to navigate the changing dynamics with the best interest of our customers in mind.

As a member of the Associated General Contractors of America, we're here to provide you with the latest information and support to help you navigate these changes smoothly.

## Your tools & resources

### FedEx International Shipping Assist

Instantly access guidance on documentation, customs paperwork, and duty/tax estimates. Scan the QR code or visit <https://internationalshippingassist.van.fedex.com/en-us>

### Regulatory shipping news

Stay up-to-date with the latest customs regulations, tariffs, and shipping news. Scan the QR code or visit <https://www.fedex.com/en-us/regulatory-news.html>

### General customs information

Learn more about customs processes, resources, and best practices. Scan the QR code or visit <https://www.fedex.com/en-us/shipping/international/customs-clearance.html>

## Regulatory Consulting Group (RCG)

RCG answers international trade regulatory questions regarding:

- Commercial invoice (CI) and Electronic Export Information (EEI)
- Documentation required for international shipments
- Duties and taxes when the Harmonized System (HS) code is provided
- Food & Drug Administration (FDA) import and export document requirements
- International Traffic in Arms Regulations (ITAR) implications
- Prohibited commodities and commodity classifications

RCG addresses US imports and export regulatory requirements **prior to** a shipment being tendered to FedEx Express for transport. Contact the RCG via email at [rcg@fedex.com](mailto:rcg@fedex.com).

AGC members are also eligible for exclusive discounts through the FedEx Advantage program. Scan the QR code or visit <https://advantagemember.van.fedex.com/9096/> to learn more.
